

SYON LANE FUTURE

St Edward Homes would like to invite you to find out about progress with the redevelopment of the Tesco and Homebase stores on Syon Lane.

Planning permission was granted in December 2023 creating an exciting opportunity to deliver a brand new Tesco Extra superstore, up to 2,150 new low carbon homes, including 35% (up to 750) affordable homes, new community spaces, a new park and shops.

We are planning to hold exhibitions on Tuesday 16 July and Saturday 20 July so that you can hear

about the next steps for the developments, and share your views about some changes we're planning to make to the Homebase development in response to recent updates in regulations.

If you can't make one of these events and would like to speak to us at another time please just get in touch via the contact details below. Full details are on the reverse side of this invitation.

We very much look forward to meeting you and hearing your feedback on these proposals for the community.

Visit our new website

We've launched a new website to help you to keep up to date with the developments. Here you can sign up to a mailing list to receive occasional updates from us, and find our contact details. The website will also be updated on 16 July with the public exhibition information. Please scan the QR code or use the URL to visit the website.

Can't attend the exhibitions?

Don't worry! If you are unable to attend either of the public exhibitions, we also have lots of other ways you can find out what's happening.

You can visit our website to view the information, or please feel free to contact us to request printed copies of the information or to arrange to speak with us at another time.
